

CORPORATE POLICY

Your partner for non-destructive material testing since 1983

- Our primary goal is to ensure a secure future for both our employees and the company. We achieve this through steady, sustainable growth.
- People are our top priority — our employees, customers, and suppliers. We live and protect fair, open communication with each other and treat each other with respect.
- Our future lies in employees who fully identify with our company and our services and demonstrate a willingness to perform and think entrepreneurially. Every employee is responsible for the quality of their work.
- We invest in the use of technological innovations and in optimizing our work processes as a whole for greater environmental and resource efficiency.
- Commitment and a goal- and solution-oriented approach to our work define how we work. Independence, neutrality, objectivity and expertise are key benchmarks for the quality of our services.
